ATTOVERSO

Silver. the glow of the moon and the planets.

Gold. the brightness of the sun and all the stars.

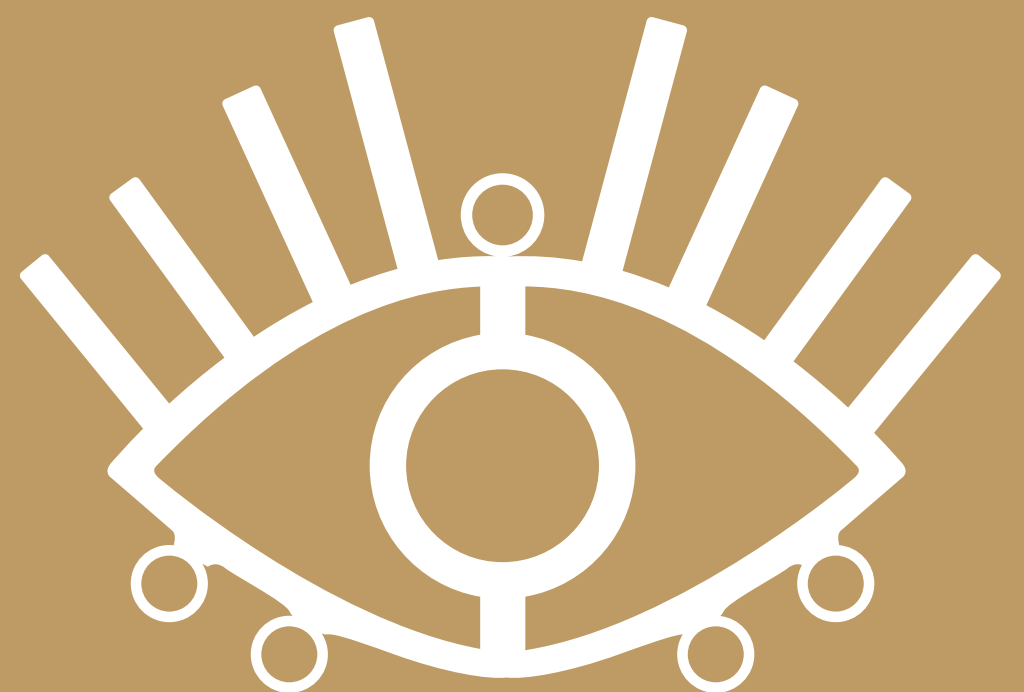

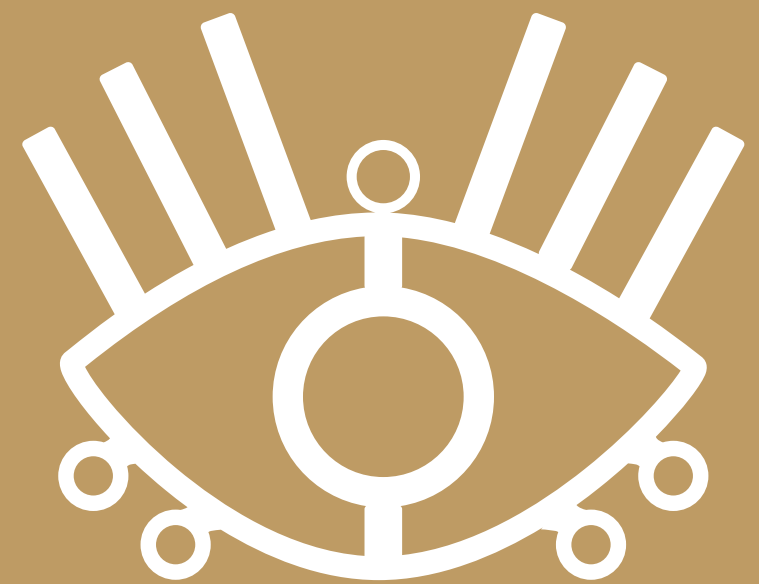

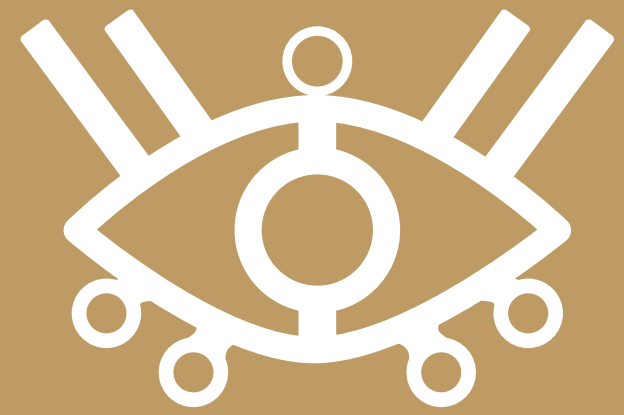

Attoverso is a collection inspired by the poetry of the cosmos. a journey through our milky way are interpreted in ultra plated Argentum - silver & Aurum - Gold.

Our beautiful high jewelry pieces are handcrafted exclusively in our Atelier in Bogotá Colombia: backed by their sacred mountains we produce works that embody a potent and palpable energy. The meeting of two worlds make our pieces timeless accessories

Discover the legend.
